

Kinda Mean song lyrics

Verse 1

When you share with me, well that's kind
When you lend a hand well that's kind too
But when you pull my shirt
Laugh at me when I'm hurt
Well that's kinda mean

Chorus:

Don't be mean, mean, don't be mean
Don't be mean, mean, don't be mean
I want to be your friend
Can this meanness end?
Don't be mean, mean, don't be mean.

Verse 2

When you take your turn, that's kind
When you care how I feel, well that's kind too
But when you won't play fair
Or tease me 'bout my hair
Well that's kinda mean

Repeat chorus

Verse 3

When you cheer me up, well that's kind
When you let me play, well that's kind too
But when you call me names
Lock me out of your games
Well that's kinda mean

Repeat chorus
