

National Day of Action against Bullying and Violence

Friday 19 March 2021

Get organised

Get ready for the National Day of Action against Bullying and Violence (NDA) and make the day your own. Here are some suggestions to help get organised for a successful NDA.

Save the date

Mark Friday 19 March 2021 in your school calendar and staff diaries.

Involve students and families

Create an NDA events committee (teachers, parents, students). Use the theme Take Action Together, plan events and activities, and invite the community.

NDA student engagement activity

Familiarise staff with this year's evidence-informed student engagement activity, specifically designed to empower student voice in Australian classrooms.

Engage staff in professional development

Organise a professional development session for school staff. Download [Launchpad](#) from the Bullying. No Way! website for suggestions.

Raise awareness

Download [NDA school materials](#). Print and display NDA posters and other printable materials around your school. Publish the official NDA school logo on your school website, social media accounts and newsletter.

Connect with community

Increase community awareness and shared understanding of your school's anti-bullying policy. Upload the policy to your school website so that it can be accessed by teachers, parents, carers and students. Include a link to the policy in your school newsletter.

Empower student leaders

Inspire and support student leaders to be positive role models and allow them to lead positive change that contributes to school climate. See the Bullying. No Way! website for ideas on [empowering student leaders](#).

Share your school's success

Capture and share your school's NDA on social media using [#BullyingNoWay](#), [#NDA2021](#) and [#TakeActionTogether](#). Invite the local paper to your NDA. Celebrate your NDA in the school newsletter.

Take action every day

Bullying. No Way! has created a range of evidence-informed teaching and learning materials for schools to use on the NDA, or at any time of the year. You can find these [lesson plans and discussion starters](#) on the website.
